OFFICE FOR WHICH CAMPAIGNING: Member-at-Large

PROFESSIONAL ORGANIZATION EXPERIENCE:

*(To be described and contained within ten (10) typed lines or less. May include chapter, state, and/or national societies)*

I am currently participating in the following professional organizations:  
ARRT, ASRT, Piedmont Chapter of the SCSRT, and the SCSRT.

Within these organizations I have spoken in seminars for the SCSRT and the Piedmont Chapter of the SCSRT. Outside of these professional organizations, I have also participated in radiology seminars for our local hospital organization.

PROFESSIONAL WORK EXPERIENCE AND EDUCATION:

*(To be described and contained within ten (10) typed lines or less)*

My radiology career began in 2007 after I obtained an Associate's Degree in Radiologic Technology. I took a full-time position in diagnostic imaging at a local Level 1 Trauma Center, and in 2009 I obtained a certificate in Computed Tomography. That same year I transferred to the CT Department and began learning 3D Imaging. In 2013, I obtained my Bachelor's of Health Sciences Degree in Radiologic Science, and in 2016 I completed my Masters Degree in Health Administration. I am currently working as an Imaging Supervisor within my hospital system and serve as an adjunct health and wellness instructor at a local community college.

POSITION STATEMENT *(To be contained within ten (10) typed lines):*

With over 10 years of professional experience, I am running for the Member-at-Large position with the SCSRT so that I may contribute to advancing the field of radiology within our community. As a self-described "radiology enthusiast," I am passionate about all areas of radiology and am continuously looking for ways in which to become involved. In the clinical setting I have enjoyed working with radiology students in diagnostic imaging and computed tomography, and professionally I have enjoyed speaking at seminars over the past few years to fellow technologists and students alike. This opportunity to become even more professionally active within the radiologic community is exciting and I would look forward to collaborating with others in order to promote our profession even further.
