New Business:

President Morris stated the first item on the agenda under new business is the 2015-2016 proposed budget. This report was distributed yesterday at the beginning of the business luncheon. The chair would like to recognize Board Chairman, Mr. David Able to give this report. Mr. Able proceeded to review the budget. President Morris thanked Mr. Able for the budget review. President Morris reminded the assembly that a motion from the Board of Directors does not require a second. He then opened the floor for discussion. President Morris announced, with no discussion on the budget all those in favor of adopting the 2015-2016 proposed budget please say I. All those opposed? The motion to accept the 2015-2016 proposed budget was passed.

President Morris stated the next item on the agenda under new business is the bylaw changes. He recognized Mrs. Benton to review the bylaw changes and answer any questions. No questions were brought forward. Again President Morris reminded the assembly that a motion from the Board of Directors does not require a second. He then opened the floor for discussion. President Morris announced, with no discussion on the bylaw changes all those in favor of adopting the proposed changes please say I. All those opposed? The motion to accept the proposed changes to the bylaws was passed.

President Morris states our Society is fortunate to have special members, those individuals who have displayed outstanding dedication and willingness to serve the SCSRT and the profession of Radiologic Technology. Their efforts have brought about the success that we, as technologists and SCSRT members, enjoy today. These special members are our Life Members, Honorary Members, the recipients of the Floyd L. Driver Award and the ASRT Fellows. It gives me great pleasure to recognize these members. In the interest of time please hold your applause until the end.
