

SCSRT SCHOLARSHIP

RISING SENIOR

SCHWERTZLER AWARD

The deadline for submission of all materials is extremely important. All materials must be postmarked no later than February 1 of each year. Send all materials and appraisals in one envelope to the SCSRT President via certified mail:

Christy Corley Nichols  
260 Tommy Road  
Batesburg, SC 29006  
864-941-8618  
nichols.c@ptc.edu

ELIGIBILITY:

Any rising student currently enrolled in an approved radiography program in South Carolina who is a member of the SCSRT.

AWARD:

The selection of the recipient will be made based on the criteria listed below. The scholarship will be given at the Annual Meeting and will be published in the June Image-Maker.

CRITERIA:

Candidate selections will be made on the basis of professional interest and aptitude, academic performance, both general and technical.

- Technical academic performance
- General academic performance. (Please have your program director or registrar send a copy of your transcript to the SCSRT President at the address listed above.)
- Professional Attitude
- Confidential appraisals  
Three (3) confidential appraisals are required. One (1) should come from each of the following groups of individuals: Program Director/Instructor; Technologist/Radiologist/Other; Clinical Instructor/Supervisor. Please have each of the above individuals return his/her appraisal form to you in a sealed envelope.
- Write a 300-500 word essay answering the following questions:
  - A. What factors influenced your decision to continue your education?
  - B. What are your long-term goals within your profession?
  - C. What is the purpose of our professional organization?
  - D. Why is it important to support your professional organization?The above essay should be TYPED and DOUBLE SPACED on plain white paper. Each student will be critiqued for the following: Proper use of English grammar, punctuation and spelling, clarity of thoughts and realistic goals.
- Community involvement/leadership. List any committees, clubs, activities or class offices you have held while in your Radiologic Technology Program.
