POSITION STATEMENT *(To be contained within ten (10) typed lines):*

I would like to be considered for the Member-at-large position because I would like the opportunity to learn more about the board and how it functions. This position would also allow me to be a more directly involved member. I am confident that I have the ability to serve in this position successfully if given the opportunity and the right guidance from fellow board members. If selected, my primary focus would be on advocacy for our profession and the development of our students and student leaders. I would love to work directly with our student-member-at-large candidate, to ensure that they are as involved as possible in the activities of the board. ____
